Voice and Data Receives Top Industry Award

Technology Assurance Group Awards Leading Technology Provider at their 21st Annual TAG Convention

OMAHA, NE AND COUNCIL BLUFFS, IA — April 18, 2022 — Voice & Data Systems, Inc., a leading managed technology services provider, announced today that the company received Technology Assurance Group's top award at the 21st Annual TAG Convention held in Scottsdale, AZ. Technology Assurance Group (TAG), an organization of leading managed technology services providers in the United States and Canada representing $800 million in annual products and services, selected Voice & Data Systems, Inc. as the winner of the "Outstanding Sales Performance" award.

The award is based on the company's ability to demonstrate excellence and provide a blend of technology that satisfies all the needs of small to mid-sized businesses. Voice & Data Systems, Inc. offers an array of data networking, voice, and video solutions all designed to increase their customers' profitability and productivity. The "Unsurpassed Excellence in Sales" award was received by Steve Sawtell, President of Voice & Data Systems, Inc.. "We are honored to accept this award. Our philosophy of providing technology solutions that increase our customers' profitability, improve employee productivity, and enhance brand image fueled our company's overall success," said Mr. Sawtell.

"Voice & Data Systems, Inc. continues to stand out as an exceptional TAG Member. It was no surprise that they received this award this year," commented Brian Suerth, President of TAG. "In 2021, they experienced phenomenal growth that propelled them past the best companies in the industry".

Voice & Data Systems, Inc. is committed to providing exceptional value through managed services that assures a fixed cost for their business partners. Their highly trained and motivated professionals will constantly strive to offer proactive services that maximize the profits, productivity, and competitive advantages of those partners.
